

NEW BOOK BY ALLEN DULLES
ON GERMAN SURRENDER

Allen Dulles, former head of the CIA and author of "The Craft of Intelligence," has now written for Harper & Row "The Secret Surrender," a complete inside account of Operation Sunrise. It was this operation which led to the first surrender of German forces in World War II, which took place April 29, 1945, at Allied Headquarters in Caserta, Italy. As an OSS officer in Switzerland, Mr. Dulles guided the delicate top-secret negotiations which led to the surrender.
